Dear Brothers,

It has been a great pleasure to write this. I was in Khamisi accompanied with one of our preacher boys, Simon Sagwe, on last Tuesday. We had a good Bible class with the three families

where three of men submitted their lives to Christ and were baptized for the remission of their sins . . .

and we encouraged them to start worshiping in spirit and truth as Gavanden Church of Christ with one of the Bible student there Kigwa Wynnand as their preacher, though he is still young in faith but due to distance we pray we will be back there soon to help them do much. Brothers that is very fertile and needs a lot of work immediately.

After that, I left Simon at Majengo a town next to Khamisi while I proceeds with my trip to Funyula where I spent a night and Wednesday I was at Bar Ober where we baptized two.

In His love,
Benard
